## CAUTION

The Federal Bureau of Investigation (FBI) Violent Crimes Task Force is seeking the public's assistance to identify the individuals responsible for a takeover style robbery in Escondido, California. On May 23, 2019, at approximately 9:50 a.m., three males committed an armed takeover-style robbery at the San Diego County Credit Union located at 1875 S. Center City Parkway, Escondido, California. After backing the get-away vehicle at the front doors of the credit union, three masked and hooded men entered the bank. Immediately upon entry, the robbers ordered the employees to the ground. While pointing the handgun at one of the employees, a robber directed the employee towards the credit union's vault. Once inside the vault, the men emptied one of the bank trash cans and used it to collect cash from the vault. After collecting cash from inside the vault and keeping the employees on the ground, the men exited the bank together and fled the scene in a 1980s Chevrolet Suburban, that had been reported stolen earlier that week, to a switch vehicle parked a few blocks away from the robbery location.
